Regina, Saskatchewan

Viterra Becomes Founding Partner in New Mosaic Stadium

Viterra Inc. (“Viterra”) is pleased to announce it has become a Founding Partner of the new Mosaic Stadium in Regina. The announcement was made earlier today at an event organized by the Saskatchewan Roughrider Football Club.

“We’re pleased to be strengthening our longstanding partnership with the Riders, and play an important role in the continued economic development of the city and the province,” said Kyle Jeworski, Viterra’s President and CEO for North America. “As a company with 100 years of history in the province and our head office in Regina, supporting our community’s new landmark venue will provide opportunities for many other shows, events and special occasions that will create an outstanding legacy for the community.”

As part of its partnership, Viterra will receive recognition through various channels and promotional activities. The company also plans to host employee and customer appreciation events in connection with its partnership.

About Viterra

Viterra is Canada's grain industry leader, supported by the expertise of its people, a superior network of assets, and unrivalled connections to world markets. Headquartered in Regina, Saskatchewan, our commitment to agriculture goes back over 100 years, partnering with farmers to market and move their crops to areas of need around the world. Our continued focus on operational excellence throughout North America allows us to efficiently handle, process, distribute and transport grains and oilseeds. We provide further value to our partners through a wide variety of contracting and risk management tools to help them realize the full potential of their crops. For more information on Viterra in North America, please visit www.viterra.com. Viterra is part of the Agricultural Business Segment of Glencore.
